BANDANA/BUFF

When you spend more time outside than indoors. When every day is an adventure. Then you get to know the undeniable benefits of the multifunctional accessory called bandana. Simple effective and infinitely adaptable. At its core is a moisture and dust-trapping microfiber fabric that is quick-drying and wind resistant.

The band's applications are varied and the number of them depends on your imagination: headband, hood, scarf, wind and dust mask, helmet or helmet pad, hairband, wristband, etc.

It is suitable for both casual and sports purposes such as motorcycling, ATV, cycling, skiing, snowboarding, hiking, skydiving, scuba diving, surfing, running, camping, paintball, yoga and any outdoor activities.

material: 100% polyester "cotton like" (cotton feel) Material: 150 gr/m2

BEACH TOWELS

At home, on the beach or in the kitchen show of style with an attractive beach towel. Patterned by independent artists, these towels are the perfect combination of creativity and functionality. The fabric has two sides - a soft cotton that will soak up every drop of water and a fine polyester for a quality print, transfer sublimation. You can chose between five sizes listed in the table.

DIGITAL FULL COLOR PRINTED - SUBLIMATION

Sublimation towels (double Face towels) are a unique combination of:

- 100 % microfibre on the one side for high color edge to edge photo printed towel
- 100 % cotton on the reverse side to make a soft and absorbent custom towel.

Total composition is 60 % cotton and 40 % microfibre with 400 g/m² weight.
Printing only on microfibre face.

Legal:

When providing files for printing, it's important to consider the following aspects:

Licensing: Make sure you have the necessary licenses to use the materials in the file if they belong to someone else. For example, if you use images, text, or graphics that are not your own, check whether you have the right to use them for printing. **Shared Rights:** Some agreements or design creation platforms may have terms regarding shared rights over the content you create. Read the terms carefully to understand what rights the creator retains and how the content can be used.

Explicit Instructions: When providing files for printing, be clear about how others can use the content. If there are restrictions or requirements, state them clearly. **Confidentiality:** If the content of the files is sensitive or subject to confidentiality protection, make sure you have taken measures to preserve that confidentiality.
